"Every threshold asks the same quiet question.
Are you willing to leave behind what you were, in order to meet what you are becoming"

"The Threshold is built to make one crossing impossible to miss."

THE SOUND OF THRESHOLD

Ennio Morricone doesn't play notes. He plays ripples.
One wave giving rise to the next.

That is the rhythm Threshold is built on, each space rippling into the one after it.

DOMUSANIMA™ AT SEA

Our homes often mirror our inner world. At sea, that mirror moves, alive with light, tide and wind.

When your environment changes, your inner life often follows — nowhere more than on the water.

THE TRINITY

TERRA

the land

Our anchor.

ACQUA

the water

Our fluidity.

ORIZZONTE

the horizon

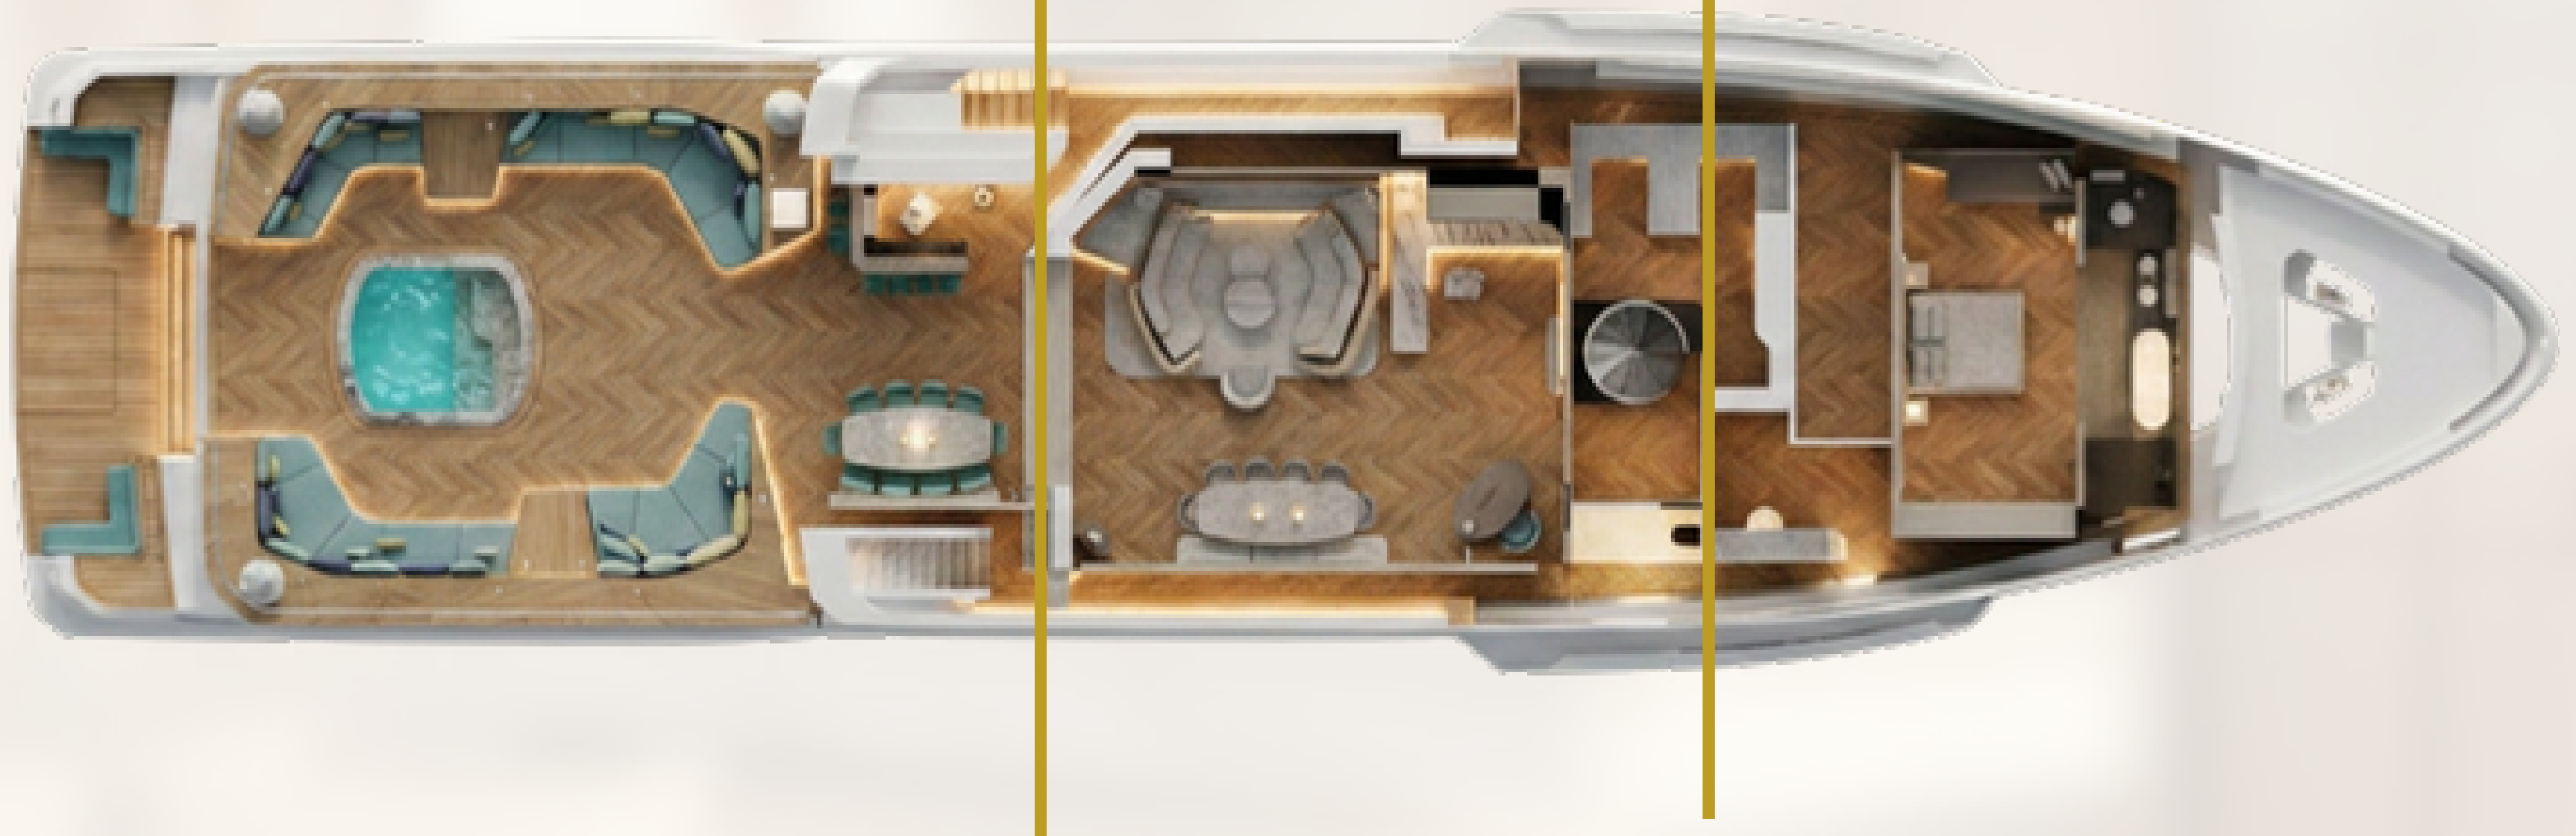

The level line.

Terra grounds us. Acqua moves us. Orizzonte shows us the way.

Layout

BUILT IN SEATING IN THE PERIMETER OF THE OUTER DECK TO MAXIMISE COMFORT

To allow for maximum flexibility and comfort there are 3 possible arrangements:

- Shallow seating
- Shallow seating + extension
- Raised meditation & yoga block

Shape of seating arrangement allows for easy social interaction.

Shape of seating arrangement allows for sunbathing at all time.

Rear platform and in built tables allow for support of drinks , books. and chargers via cableholes.

Storage for towels below inbuilt side tables.

Drinking water fountain at easy reach.

Centre access allows for easy flow to Teppayaki Sushi bar on left and outdoor dining on the right

Outdoor dining eihrt a combination of chairs and built in bench

Built in wall to hide sliding doors when open, to allow for no door obstruction from inside

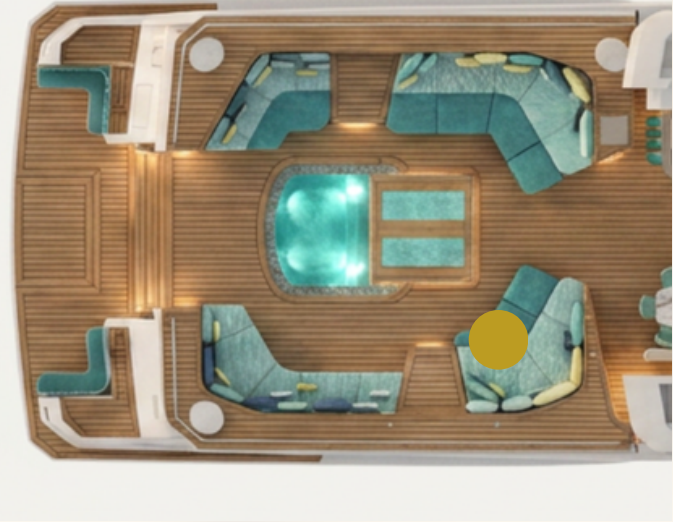

Built in sofa following silhouette of super yacht

Platform useful for crew walking, lighting fixtures, parasol fixings and storage via access from top.

Rear built in for arrival at Threshold

Chevron pattern floor

Centre pool with meditation dock

Platform useful for crew walking, lighting fixtures, parasol fixings and storage via access from top.
