CANTORI

Cantori disegna e rappresenta il gusto contemporaneo, all'insegna delle sensazioni delicate, delle emozioni minimali e sofisticate, delle tonalità cromatiche intimiste. Sinonimo di qualità, manualità, ricerca del dettaglio, requisiti di un autentico prodotto italiano, Cantori si contraddistingue per le sue creazioni, ideate e realizzate per diventare dei pezzi unici e prestigiosi da vivere. L'alta qualità e la continua ricerca sono valori di un gusto raffinato che Cantori rispetta costantemente in ogni progetto. La bellezza della forma e la straordinaria varietà di proposte possono conquistare fin dal primo sguardo, ma è solo toccando fisicamente con mano la qualità dei materiali utilizzati e la solidità delle strutture, che si comprende davvero l'assoluta inimitabilità del mondo Cantori.

Cantori represents and develops contemporary style, marked by delicate sensations, minimalist and sophisticated emotions, and by intimate shades of colour. Synonym of quality, craftsmanship, utmost care for details, all the requirements needed to guarantee a genuine, made in Italy product, Cantori is outstanding for its creations, designed to become unique, prestigious pieces of furniture. In every project Cantori respects the highest quality standards and carries out continuous technological research: these are the values of its refined taste. The beautiful shapes and the extraordinary variety of proposals may seduce at first glance. However, it is only by touching first-hand the quality of the materials and the solidness of the frames that you will truly understand the absolute inimitability of Cantori's world.

Nel 1976 Sante Cantori inizia ad utilizzare la variegata tavolozza del ricco tessuto artigiano della zona di Camerano.

In pochi anni si sviluppa un'azienda di stampo industriale che conquista con suoi prodotti ampi spazi di mercato in Italia e nel mondo, estendendo la sua attività al mondo dei grandi progetti residenziali e commerciali realizzando luxury projects, yacht, come pure Luxury hotel e office, dove i prodotti delle collezioni Cantori, convivono con arredi bespoke.

In 1976 Sante Cantori started to make the most of the richly varied network of craftsmanship skills in the area of Camerano. In just a few years, the company achieved industrial development, acquiring large market shares in Italy and worldwide, broadening its creative and productive activity in the world of large residential and commercial projects realizing luxury projects, yacht, and luxury hotel e office, where items of the Cantori's collections complement the bespoke furniture.

The Aurora armchair was born from a reinterpretation of the historic Windsor armchair. The barred back is in iron, fitted together without any welding. The seat, in profiled wood and padded with two-density rubber and a cushion, is tailor-made, and can also be covered with fabric or leather supplied by the customer.

Aurora poltrona nasce dalla reinterpretazione di una storica poltrona Windsor. Lo schienale bacchettato è in ferro con montaggio a tiraggio interno, senza saldature. La seduta, in legno sagomato e imbottito in gomma a due densità e il cuscino, sono rivestiti sartorialmente, anche con tessuto o pelle fornita dal cliente.

Iseo. timeless piece

Iseo is a sofa with a dynamic and enveloping shape, designed for maximum comfort.

Iseo, divano dalla forma dinamica ed avvolgente per un massimo comfort.

Voyage, an armchair with sumptuous shapes and with a bronzed-iron structure. The softness of the upholstery and the quilted exterior presents a pleasant contrast with the bronze bands of the side armrests which, intersecting on the back, create a striking design. The back is quilted.

Voyage poltrona dalle forme sontuose, con struttura in ferro bronzato. La morbidezza dei rivestimenti e l'esterno trapuntato si contrappongono alle fasce in bronzo dei braccioli laterali che, intersecandosi sul retro, creano un forte segno grafico.

Vietri:

flexible and dynamic

The Vietri sofa is a modular, merging artisanal hand-crafting with the use of new technologies. Thanks to its modularity the sofa can be composed and disassembled according to your needs, thus creating and recreating different solutions more suitable for your living room.

Il divano Vietri è sistema componibile, fra ricerca artigianale e tecnologia. Il divano con la sua modularità può essere composto e scomposto creando e ricreando soluzioni diverse più adatte al proprio soggiorno o di modificare la disposizione in base alle esigenze.
