DIADEMA Libreria Bookcase

Designed by *Castello Lagravinese Studio*

Diadema, sistema libreria autoportante caratterizzata dal design asimmetrico. Diadema ha la struttura in ferro, montata ad incasso, con sottili mensole sagomate da tre mm. La libreria Diadema è disponibile in diverse altezze che consentono di arredare una parete completa fino al soffitto. Perfetta anche come centro stanza per dividere gli spazi. La sua singolare asimmetria consente affiancare insieme più librerie creando.

Diadema, a self-supporting bookcase system characterized by an asymmetrical design. Diadema has a built-in iron structure with thin three-millimetres shelves. The Diadema bookcase is available in different heights that allow it to furnish a whole wall, up to the ceiling. It is also perfect in the center of a room, to divide spaces. Its peculiar asymmetry allows to combine several bookcases together, creating a coherent spatial continuum.
